Accession Number Cross Reference Index

The following columns cross reference the ERIC clearinghouse number to the ERIC Document (ED) numbers for résumés published in this issue of Resources in Education. Readers who desire to race doments for which they only have clearinghouse accession numbers as references may find the applicable abstracts in Resources in Education by referring to the cross-reference list.

The symbol // appearing after an accession number identifies a document that is not available from the ERIC Document Reproduction Service and that is not in the ERIC Microfiche Collection.

THESAURUS OF ERIC DESCRIPTORS

Fifth Edition

The Thesaurus of ERIC Descriptors has been developed during the past 6 years under the auspices of the Educational Resources Information Center (ERIC) as an essential tool for users of Resources in Education. This monthly, Semiannual, and hard cover edition, now being published by Macmillan Information, a Division of Macmillan Publishing Co., Inc., supersedes previous paperback editions. It contains all newly added descriptors, a descriptor group display, a descriptor listing, and rotated descriptor display as of March 1971. Also included is The Role and Function of a Thesaurus in Education by Dr. Frederick Goodman, Associate Professor of Education at the University of Michigan. This special article will bring to educators and other professionals the insight of one of the leading educators in the field of vocabulary development and communication.

Searches of the ERIC system can be done more quickly and in greater depth by consulting the newest thesaurus. The *Thesaurus of ERIC Descriptors* may be purchased for \$8.95 from:

ERIC EDUCATIONAL DOCUMENTS ABSTRACTS

These five volumes bring together, in succinct abstract form, reports covering current, significant topics in the field of education. They provide ready reference to trends and new curriculum developments, school operations, teaching methods, library services, and literally hundreds of other subjects of urgent concern to professional educators. Each abstract cites the author, source, publication date, availability, and price of the original report; and most abstracts provide a clear, concise summary of the report's contents and conclusions.

The set includes all reports which have appeared in *Research in Education*, a monthly report announcement journal available through the Government Printing Office, from January 1968 through December 1973, with accession numbers ED 012349 through ED 080787. Calendar years are bound in separate volumes.

ERIC EDUCATIONAL DOCUMENTS INDEX

Gathered for the first time in one source are the indexes to all research documents in the ERIC collection: Research in Education, 1966 through 1973; The ERIC Catalog of Selected Documents on the Disadvantaged; and Office of Education Historical Reports, 1956 through 1965. The five volumes include documents ED 001001 through ED 080-787, plus Subject and Author Indexes with complete titles and ERIC accession numbers (ED numbers).

The ED numbers refer the user to abstracts published in *Educational Documents Abstracts*, to microfiche of the documents, and to copies of the original document obtainable from the ERIC Document Reproduction Service.

THE ERIC INSTITUTION INDEX

These volumes bring together, for the first time, the corporate author listings for the research documents in the ERIC collection: The ERIC Catalog of Selected Documents on the Disadvantaged, Office of Education Research Reports, 1956 through 1965, Research in Education, 1966 through 1971. It includes documents ED 001001 through ED 054390. The Corporate Author Index includes complete titles and accession numbers. It is a useful companion volume to ERIC Educational Documents Abstracts and the ERIC Educational Documents Index (subjects and personal authors).

HAVE A COMPUTER?

LOOK AT ERICTAPES!

The Educational Resources Information Center (ERIC) data base is now available on magnetic tape in a variety of formats and options from Leasco Systems & Research Corporation, Under special authorization from the National Institute of Education (DHEW), these tape files are offered at unusually low cost to encourage the widest possible dissemination.

The ERIC data base provides coverage of the significant literature in the field of education research. Report literature (announced in Research In Education) is covered from 1966 to date, and journal article literature (announced in Current Index to Journals in Education) is covered from 1969. Monthly, quarterly, and annual updates are available for RIE, and quarterly and annual updates for CIJE, so that the files may be kept current

The basic files are available in either the ERIC Format (IBM 360 OS) or in the Library of Congress MARC II Format. These files include the complete resume (document description, indexing, and abstract or annotation) of each document announced in the respective journal, in accession number order. A variety of peripheral files, including Postings Files (inverted subject and source indexes) and the Thesaurus (controlled indexing vocabulary) are also available on magnetic tape,

and almost any segment of the master files is obtainable on Special Order.

The files may be purchased individually or as a collection, and substantial discounts are available on annual subscriptions for updates. The files are written on new, high quality, 9-track tapes (600-, 1200-, or 2400-ft., as appropriate) at either 1600 or 800 BPI and are guaranteed. Prices per tape reel start as low as \$50.

NO COMPUTER?

LOOK AT ERICTOOLS!

For organizations without access to a computer,* ERICTOOLS provide manual multi-viewpoint access to the ERIC document collection. ERIC-TOOLS are a series of printed indexes, directories, and cross-reference lists, which have heretofore been available only internally to components of the ERIC network. The Title Index provides access by document title. Postings publications provide access by: subject index terms, i.e., Descriptors (controlled indexing vocabulary), and Identifiers (uncontrolled subject indexing); and institutional sources, i.e., corporate authors and sponsoring agencies. Cross-reference lists lead the inquirer to the accession number (ED number) from: Report Number; Project Number; Contract Number; Grant Number; and Clearinghouse Accession Number. Also offered is the ERIC Operating Manual, the rules, procedures and guidelines which keep the many components of the ERIC network synchronous with each other.

The documents are available individually and on annual subscription at a discounted price. Prices start from as low as \$10 for some individual documents

Many of these documents are also valuable tools for computer searchers.
